

## Building site to Sirmione

**Ref. P 24.32**

Sirmione, in the Lugana district, we offer a new construction of an elegant and modern residence of 12 residential units with swimming pool.

The complex will offer residents a 72m2 swimming pool area, centrally located between the two buildings, surrounded by sunbathing areas: a relaxation area, secluded from the road and open to a pleasant view of the surrounding greenery.

Its orientation will guarantee complete sunshine and also the presence of some naturally shaded areas during the day.

The context will be characterized by a modern design with the possibility of choosing the finishes.
