

Building site to Valeggio sul Mincio

Ref. P 28.39

In Valeggio sul Mincio, in an elegant and quiet residential area, a new five-unit complex is being built, designed to offer modern comfort, energy efficiency, and quality construction.

The homes feature private gardens or large terraces and a basement garage. The recently developed area is convenient to major services and transportation routes, ensuring convenience and quality of life.

The units are constructed with state-of-the-art materials and systems: PVC windows with double glazing and motorized aluminum shutters, electrically powered air-to-water heat pump heating, radiant floor heating with heated towel rails in the bathrooms, and provision for summer cooling. Each unit is also equipped with a 3 kW photovoltaic system, demonstrating the project's focus on energy efficiency, living comfort, and sustainability.

Delivery expected winter 2027/2028.

A modern and refined project, designed for those who want to live in a cozy, efficient, and high-quality environment, in the heart of one of the most pleasant areas of Valeggio sul Mincio.
