

Building site to Valeggio sul Mincio

Ref. P 28.63

Modern villas with hillside views □ Santa Lucia ai Monti, Valeggio sul Mincio

In the scenic hamlet of Santa Lucia ai Monti, in an exclusive and private setting, stand two contemporary villas with refined character and essential architecture. Clean lines, large windows, and high-quality materials blend together in a design that enhances natural light and a harmonious connection between interior and exterior.

Each villa is spread over two levels and offers spacious living areas overlooking the private garden, with the option of building a swimming pool to become the heart of outdoor living. The bright and well-arranged interiors are designed for maximum functionality and comfort, with high-end finishes and meticulous attention to detail.

The panoramic terraces and furnished outdoor areas invite you to enjoy every moment of the day in a perfect balance between elegance and nature.

An ideal project for those seeking design, privacy, and quality construction, nestled among the hills, greenery, and vineyards that define the location's identity.

The villas will be built with state-of-the-art materials and systems.
Energy class A4.

A perfect combination of modern architecture and living comfort, designed for those seeking a home that combines style, efficiency,

and well-being.
