In the central area of Peschiera del Garda, just steps from the lakefront, we offer a ground-floor apartment with a pleasant outdoor area.

Set in a well-maintained complex of just eight units, the property is entirely on the ground floor and offers well-distributed spaces: a living room with access to the outdoor area with a pergola, a separate kitchenette, a hallway, a double bedroom, a single bedroom, and a bathroom with a window.

The apartment has recently been renovated with targeted interventions: new boiler, air conditioning in all rooms and construction of the outdoor pergola.

The location, just a few meters from the lake and beaches, makes this property ideal as a primary residence, a second home, or an investment for tourist rental, thanks also to its proximity to the area's main amusement parks.
