Peschiera del Garda, in a quiet residential area convenient to the center, amenities and just 1 km from the lake, we offer a three-room apartment on the first and top floor with a private garage and large private garden.

The property, located in a complex of just five units, is entirely on the first floor and comprises an entrance hall leading to a bright and well-organized living room with kitchenette, two bedrooms, and a bathroom with window.

The living area leads to a spacious terrace, ideal for al fresco dining and relaxation, which overlooks the approximately 250 square meter private garden, complete with driveway. The landscaped garden, featuring fruit trees, can be accessed directly from the terrace via an exclusive external staircase, further enhancing the usability of the space.

Completing the property is a double garage in the basement, convenient for two cars and for additional storage space.

The location, a short distance from Lake Garda and the area's main amusement parks-Gardaland, Movieland, and Caneva Aquapark-makes this property ideal as a primary residence, second home, or investment for tourist rentals, thanks to the high demand in the area.
