Land for sale in Castelnuovo del Garda
Generica
€ 1.350.000
Ref. P 29.06

3.000 sq.m

In a central and strategic location in Castelnuovo del Garda, we offer a building plot of approximately 3,000 square meters with a volume of approximately 6,000 cubic meters, ideal for the construction of a new residential complex. The lot is configured as a completion project, offering a significant opportunity for those wishing to develop a real estate project in an established residential area. The area is divided into two lots, offering an interesting investment opportunity thanks to the possibility of purchasing them together or separately, based on your project needs. The available volume allows for the evaluation of various design solutions and different housing typologies, based on market needs and current urban planning regulations. The central location, existing developments, and potential for development make this a particularly attractive proposition for construction companies and investors seeking real estate development opportunities in the area. Please contact us without obligation for more information or to schedule a viewing of this building plot in Castelnuovo del Garda.
